

Dear Prospective Sponsor,

The Premier Aquatics Booster Club (PABC) was founded to support fundraising, community involvement and awareness of the Patrick Henry High School (PHHS) Swim and Water Polo Teams. We are seeking community sponsors for our Aquatics programs. Due to budget constraints, the Swim and Water Polo Teams, like many other programs in our public schools, are only partially funded by the San Diego Unified School District. This lack of funding combined with public pool closures due to City budget cuts makes the need for local community support critical if we are to continue to offer this program to our students.

As Patrick Henry High School does not have its own pool, the aquatics sports teams must pay to use a combination of private and public pools for practices and games. In addition to pool time, your sponsorship dollars also help to cover the cost of coaches' salaries, tournament fees, officials' fees, equipment and supplies. In order to help Patrick Henry High School provide a quality program, which provides an opportunity for the maximum number of students to play at a competitive level, the Booster Club is reaching out to our community for support in raising supplementary funds.

The PABC is a nonprofit association that exists solely to support the Patrick Henry Aquatics sports programs and its student-athletes. Tax-deductible contributions in any amount are extremely appreciated! We suggest sponsorships at the following levels:

\$500 GOLD SPONSOR

- Recognition in Mission Times Courier
- Recognition at Home Meets
- Framed Team Photo/letter
- Recognition on PABC Website

\$250 GREEN SPONSOR
